2. Extract the zip file, and double click on the executable file. Select your language. Read and Accept the terms and highlight the Agree Checkbox. Click Next to continue

3.) In the next window you can select which components of the software will be installed. Be sure to select SmartPSS in this window. Click Next once you have highlighted SmartPSS.

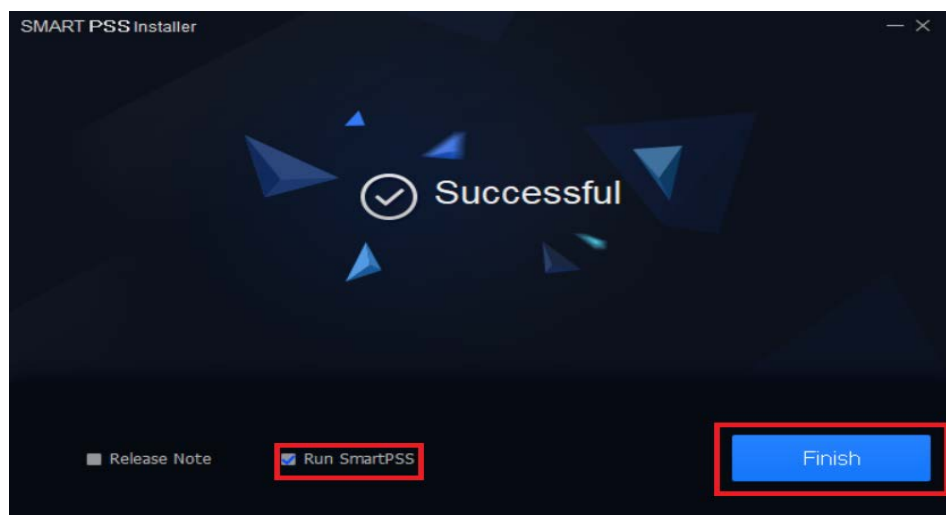

4.) Choose where SmartPSS will be installed, and click, "Install"

5.) SmartPSS will now begin installing.

6.) Once completed, highlight the "Run SmartPSS" Checkbox and click, "Finish"

7.) After the installation is complete you will need to create a unique password for the SmartPSS software. Be sure to use a strong password! Feel free to Select the Auto Login feature so that you do not need to enter your password on every launch!

The screenshot shows the 'Initialization' window with a progress bar at the top. The first step, '1. Password Setting', is highlighted in blue. Below the progress bar, there is a warning icon and the text 'Please set admin password at first installation !'. There are three input fields: 'Password', 'Password Strength' (with a progress bar), and 'Confirm Password'. A checkbox labeled 'Auto Login after Registration' is checked and highlighted with a red box. At the bottom right, there are 'Next' and 'Cancel' buttons.

8.) Enter your security questions in case you forget your password.
***Note if you forget your password and your security questions will need to un-install and re-install SmartPSS. Keep this password safe!

The screenshot shows the 'Initialization' window with a progress bar at the top. The second step, '2. Password Protection', is highlighted in blue. Below the progress bar, there is a warning icon and the text 'Please set security questions!'. There are three sets of questions and answers, each with a dropdown menu for the question and a text input field for the answer. The answers are 'Charlotte's Web', 'John', and 'Apple', all highlighted with red boxes. At the bottom right, there is a 'Finish' button, also highlighted with a red box.
